Request for Information

About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

Lubricants Supply

Scope of Work

MODEC Guyana Inc. invites qualified suppliers to express their interest and provide information regarding their capability to supply the lubricants required to support the safe, reliable, and continuous operation of FPSO equipment.

Lubricants will be required in accordance with MODEC's engineering recommendations, applicable technical specifications, and relevant equipment-manufacturer guidance. Suppliers should be able to provide products suitable for the intended equipment and applications and to support MODEC's operational requirements.

The SUBCONTRACTOR shall have the capabilities to provide lubricants from the following OEMs: Bitzer, Bauer, Cummins, Kluberplex, Krytox, Fleetguard, Shell Morlina & Aeroshell Fluid, and Danfoss Lubricants. This list is indicative and not exhaustive; requirements may include other brands and products.

The scope includes supplying lubricants in accordance with MODEC's technical specifications and delivering them to MODEC's logistics base in Georgetown within agreed lead times.

Requirements

- Company profile and evidence of local operating capability.
- Relevant experience supplying lubricants for FPSO, offshore, or comparable industrial operations.
- Details of lubricant brands and products available, including technical data sheets and confirmation that they can meet MODEC's applicable specifications.
- Any required authorization for handling and transporting dangerous goods or chemicals.
- Details of applicable environmental compliance.
- Confirmation that transportation arrangements comply with local laws and regulations.
- Proposed delivery lead times to Georgetown and the ability to respond to urgent requirements.
- Details of local inventory and the minimum stock levels the company can maintain.
- References for comparable supply contracts, where available.

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following link.
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC´s Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the

Notes

• This is not a request for quote.

• Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
