

Request for Information

Safety, Security, Health and Environment (SSHE) Training Services

Distributed on: **March 25, 2020**

Response Requested by: **April 8, 2020**

Esso Exploration & Production Guyana Limited (EEPGL)

1. Background

General

Esso Exploration & Production Guyana Limited (EEPGL), the “Company,” plans to put in place an enabling (no-commitment) agreement for the provision of Safety, Security, Health and Environmental (SSHE) Training Services.

The scope of this Request for Information (RFI) is to identify suppliers who can provide SSHE Training Services to the Company as follows:

- Provide training services for BOSIET/Huet, Confined Space, Rigging/Lifting, Working at Heights, Defensive Driving (Smith System), Forklift, Fire Extinguisher and other types of job training as specified by EEPGL.
- Contractor shall provide any other SSHE related training that their firm is qualified and able to perform.
- Contractor shall provide equipment and facilities for all training services.
- Training services shall meet OSHA and other International standards.
- Coordinate all aspects of training as per EEPGL’s requirements.
- Demonstrate the ability to provide the service according to EEPGL’s requirements and standards.
- Demonstrate the ability to obtain any necessary regulatory permits, certifications and authorizations for service delivery.

Enabling agreements are planned to be in place in 2020.

2. Objective

This Request for Information (RFI) seeks detailed operational and technical information from suppliers for meeting the Company’s bid selection requirements for SSHE Training Services, Guyana.

This RFI has several objectives:

First, we may use responses from you and the other participants to validate and further develop our team’s recommendations for inclusion in the Request for Proposal (RFP) for SSHE Training Services in Georgetown, Guyana. The RFI process allows us to seek your input and develop a list of qualified bidders before structured bid rules take effect.

Second, the RFI process provides you an opportunity to begin developing your responses to some of the potential requirements if you are selected for the RFP.

Finally, EEPGL in its sole discretion, may divide the services described in this RFI and in a future RFP (Request for Proposal) into several enabling agreements that may be awarded to more than one bidder.

Please be aware that this RFI does not imply any commitment at this stage from EEPGL to acquire goods or services from any supplier. All expenses or costs incurred by or for your firm as a result of your participation in the RFI and any subsequent RFP process shall be at your sole cost and expense. Your participation in the RFI process does not guarantee an invitation to participate in an RFP process.

3. Guyanese Content

ExxonMobil's local content strategy is core to our business. Its elements are formally integrated into daily processes and procedures, and guides the way we work today and plan for tomorrow.

Using a multi-tiered approach, we focus on building workforce and supplier capabilities in conjunction with strategic investments in the local community. At ExxonMobil, this approach is called local content.

ExxonMobil recognizes that Guyanese suppliers and their workforce are vital to the success of our operations.

3.1 Contractor's Duties

Contractor shall be responsible for the following local content requirements in addition to any local content requirements issued by a Guyanese governmental authority:

- 3.1.1 To support Buyer's objectives of maximizing the use of Guyanese workers and suppliers, Contractor shall:
 - a. Prepare and implement a program to maximize employment of Guyanese nationals (during the Work) having appropriate qualifications and necessary experience to conduct operations.
 - b. Give preference to the following:
 - i. The purchase of Guyanese goods and materials, provided such goods and materials are available on a timely basis of the quality and in the quantity required by Contractor at competitive prices.
 - ii. Utilization of Guyanese contractors insofar as they are commercially competitive and satisfy Contractor's financial and technical requirements and meet the requirements of Section 3.1.1.b.i.
 - c. Establish appropriate tender procedures for the acquisition of goods, materials, and services, which shall ensure that Guyanese contractors are given an adequate opportunity to compete for the supply of goods and services.
 - d. Ensure that its subcontractors comply with the requirements contained in this section 3.1.1.

- 3.1.2. Steward Contractor and its subcontractors' local content development progress in accordance with Contractor's local content plan (as described in 2.1.5).
- 3.1.3 Contractor shall provide local content reporting metrics using Buyer-provided template as it may be periodically revised by Buyer.
- 3.1.4 Contractor should engage, and actively collaborate with, the Centre for Local Business Development. The Centre's role is to facilitate communication between suppliers, contractors and subcontractors, with a goal to build the capacity of Guyanese small and medium enterprises. The Centre will maintain a Supplier Registration Portal and is able to provide lists of various Guyanese goods and services, for Contractor's use. Buyer does not endorse or recommend any supplier listed on the Portal. As such, Contractor should perform appropriate due diligence on any supplier prior to use. The Centre is located in Georgetown at 253-254 South Road, Bourda on the top floor of the IPED Building. The website is: www.clbdguyana.com.

Contractors shall develop and implement a local content plan for Guyana (details will be provided to the winner of a bid).
