

TIGER RENTALS GUYANA INC.

SOLUS Building 126 Quamina & Carmichael Streets, Georgetown

Office: +592-501-0620

Email: sales@tigertankstrinidad.com

Tiger Rentals has been operating in Guyana since 2011, pioneering the establishment of the first and still only hazardous waste treatment facility in Guyana. Tiger Rentals Guyana has established a State of The Art waste treatment facility, inclusive of thermal processing for hazardous waste as well as processing and disposal of non-hazardous waste streams.

TRG currently provides rental of Cargo Carrying Units (CCUs), Confined Space Entry Tank Cleaning and the Collection, Transportation & Disposal of all waste types of waste.

As a part of our commitment to ensuring local development of businesses, the procurement department for Tiger Rentals Guyana is inviting companies to submit prices for commonly used goods and services within our organization.

Service Required

We therefore invite suppliers to submit a bid for provision of Personal Protective Equipment (PPE) for our operations.

Requirements for submission of bids are as follows:

1. Register with the Center for Local Business Development in Guyana
2. Submit list of required documents identified below:
 - a. VAT Registration (If Applicable)
 - b. NIS Registration Certificate
 - c. TIN Certificate
 - d. Company Profile
 - e. Certificates of Insurance (If Applicable)
 - f. Equipment Certificates (If Applicable)
3. Comply with all related requirements as mandated by the Government of Guyana.
4. Complete Vendor Assessment forms in order to be a supplier (forms can be requested from the email listed below).

Please contact ramprasad@tigerrentalsguyana.com for list of PPE required and for any clarifications or questions. All bids should be submitted by March 31, 2020. Analyzation of bids will be done within one week of receipt, and winning bids will be awarded within 14 days of receipt.
