

Request for Information

About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

Emergency and Essential Diesel Generator Maintenance

Scope of Work

MODEC Guyana Inc. is seeking information from qualified and experienced companies capable of providing spare parts, materials, and certified technical personnel to support the maintenance, troubleshooting, and inspection of alternators installed onboard the FPSO Errea Wittu. The Contractor shall be capable of providing spare parts, materials, and technically qualified personnel to be deployed onboard the FPSO ERREA WITTU upon request. Personnel will perform inspections, maintenance, and troubleshooting to ensure the continued and reliable operation of alternators onboard.

Requirements

1. Provide certified manpower and technicians specialized in alternator maintenance, authorized by Cummins and ABB.
2. Demonstrate capability to supply all spare parts, materials, and consumables required for safe and efficient maintenance and operation.
3. Perform troubleshooting, corrective, and preventive maintenance in accordance with the manufacturers' Installation, Operation & Maintenance Manuals.
4. Plan and record all services executed onboard, maintaining traceability and service history for MODEC review.
5. Ensure all personnel hold valid offshore certifications (OPITO BOSIET / HUET, IMIST, Confined Space Entry, ISO 9712 or equivalent).
6. Provide and maintain all required tools, calibrated instruments, and approved PPE necessary for the execution of the work.
7. Ensure compliance with MODEC HSSE standards and provide an effective HSSE Management System covering policies, KPIs, organization, and training.
8. The selected Contractor must have authorization from the manufacturers (ABB and Cummins).

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following [link](#).
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC's Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the EOI's received and applicable shortlisting for competitive process.
6. Please submit your final response with RFI form/EOI no later than 11/19/2025.

Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
