

Baker Hughes Vacancy: Warehouse & Yard Supervisor, Land of Canaan

Are you passionate about Warehouse and Logistics?

Do you enjoy working in a material handling environment?

Join our Warehouse and Logistics team!

Baker Hughes is an energy technology company with a diversified portfolio of technologies and services that span the energy and industrial value chain. We conduct business in more than 120 countries. While Baker Hughes may have contracts that include multiple well projects and that may extend over a period of time ranging from two to four years, our services and products are generally provided on a well-by-well basis.

Baker Hughes has extensive facilities in Land of Canaan, Guyana known as the Baker Hughes Guyana Supercenter. When the Supercenter opens in Q1 of 2022 it will act as the backbone for our Guyanese Operations and serve as a base for wider Caribbean operations, including those in Suriname, Trinidad & Tobago and further afield.

Partner with the best

As a Warehouse Supervisor, you will be responsible for:

- Leading, coordinating, or overseeing warehouse & logistics operations. Activities include productivity and process quality of warehouse operations, reducing controllable expenses, logistics, and shipping processes (including shipping and receiving).
- Managing warehouse to ensure customer requirements are met.
- Managing and coordinating communication between the product lines and the logistics teams or vendors as needed.
- Overseeing strategic planning of the logistics for each project to ensure successful and on-time delivery.
- Driving cost reduction wherever applicable while meeting customer and safety requirements.
- Working together with people from the business units. Contacts are under the guidance and/or geared towards specifying activities, planning of activities, and giving explanations on technical issues.
- Handling standardized project processes and providing guidelines for choosing the right actions.
- Being accountable for compliance to Baker Hughes policies and procedures.

Fuel your passion

To be successful in this role you will:

- Have a High School Diploma and at least 4 years of experience in Services.
- Demonstrate leadership skills.
- Have 3 years of people leader and employee development experience.
- Have the ability to prioritize and work with peers to meet customer expectations.
- Have proven initiative in increasing knowledge of products, processes, and equipment.
- Have knowledge of all safety policies and procedures.

- Show experience of working within Logistics, Warehouse or Inventory Management environment
- Demonstrate effective organizational and time management skills
- Have prior SAP knowledge and experience is preferred.

If this role is based in the United States, Canada, Trinidad & Tobago, and Guyana, as part of our commitment to the health & safety of our employees, customers and the communities in which we operate, this role requires full vaccination for COVID-19 prior to beginning work.

Working with us
