

This notification is to advise you that CNOOC Petroleum Guyana Limited (CPGL) plans to build a data storage server and data sharing platform system that meets safety standards to facilitate the collaborative work needs of its employees located in different parts of the world.

The bidding will be conducted in 2 stages. First, a pre-qualification (RFI) round, and second, a proposal (RFP) round. Only bidders who meet CPGL's pre-qualification requirements in the RFI round will be asked to participate in the RFP round.

For further information including the RFI package which includes details concerning the scope of work as well as submission instructions and requirements, please visit <https://centrehub.com> or <https://lcregister.petroleum.gov.gy/opportunities/>

Request for Information will be issued on Friday September 20th, 2024, and is due on Monday October 21st, 2024.
