

EXPRESSION OF INTEREST BERTH CONSTRUCTION

Guyana Shore Base Inc. hereby invites applicants to submit their Expression of Interest to participate in the Invitation to Tender Process for:

BERTH CONSTRUCTION

It is to be noted that the construction of berths is of utmost importance to support the current offshore oil and gas production industry.

- **Form of Construction**

For now, GYSBI is considering three forms of berth construction of which the successful contractor will be asked built. These are:

1. The construction of a concrete surface berth on concrete piles
2. The construction of a concrete surface berth on steel piles
3. The construction of a gravel surfaced berth with steel sheet piles

- **Specifications**

From our preliminary designs, the following technical specifications are noted:

1. Length of concrete piles – 24m
2. Length of steel piles – 22m
3. Length of steel sheet pile – 21m
4. Concrete grade (for concrete piles) – C35/45
5. Concrete grade (concrete surface) – C30/37
6. Steel Grade – ASTM 572 Gr.50 or S355 GP equivalent

Interested bidders are to submit the following to the email address given below:

- **COMPANY DETAILS**

Including Full Company Name, Business Address, Website

- **CONTACT DETAILS**

Including name, position, email, phone number

- **COMPANY REGISTRATION**

Company Acts Certificate or equivalent, TIN Certificate, Business Registration

- **COMPANY PRESENTATION**

Including access/availability of all necessary equipment, labour and personnel to complete the project, experience of previous projects undertaken relating to Berth Construction, and references.

Please submit your Expression of Interest to the Procurement Department
