

Expression of Interest

ELECTRONIC ACCESS CONTROL SYSTEM SUPPLY, INSTALLATION AND COMMISSIONING SERVICE- OFFSHORE CONSTRUCTION FACILITY

Saipem is an advanced technological and engineering platform for the design, construction, and operation of safe and sustainable complex infrastructure and plants. Always oriented towards technological innovation, Saipem is today committed to working alongside its clients on the frontier of energy transition with means, technologies, and processes that are increasingly digital and oriented from their conception towards environmental sustainability. Saipem is present in over 60 countries and employs around 32,000 people of 130 nationalities.

In Guyana, Saipem is committed to implementing along with its client the engineering, procurement, construction, and installation of offshore projects in the Stabroek Block with its distinctive competencies and assets tailored to operate in remote, harsh environments and deep-water areas, the SURF portions (subsea, umbilicals, risers & flowlines) of all the field development projects (Liza 1&2, Payara, Yellowtail, and UARU) launched in Guyana Saipem has been awarded.

Saipem Guyana is additionally committed to contributing to the development of the Guyanese people, maximizing the use of local resources, and creating even more capacity. Hence, we invite companies that comply with the Guyanese Local Content Law to submit an Expression of Interest (EOI) for the services/supplies in the area(s) listed herein.

The supply/service(s) would be performed in Guyana to support Saipem onshore operations.

Notes

1. All interested companies must know that Saipem may enter a contract at its sole discretion according to this EOI and consequent competitive tender process, if any. In addition, the contracted company must be - at the time of the contract execution - a “Guyanese company” according to the Guyana Local Content Act No. 18 of 2021, Part I, 2, and be registered in the “Local Content Register” set up by the local Ministry of Natural Resources, all under the Guyana Local Content Act No. 18 of 2021, Part II, 6(1)(b) and Part II, 8.
2. Companies that DO NOT comply with the above requirements of the Guyana Local Content Act 2021 shall refrain from submitting their EOI.

Basic Requirements

- Registration in the *Local Content Register* and with the *Centre for Local Business Development* (CLBD). Certificates proving these registrations must be provided along with the submission for this EOI.
- Submit the company profile inclusive of full contact details, physical address, Tax Identification No. (TIN), VAT number, details on any joint ventures, partnerships, etc., that are part of your organization’s structure.
- Submit the relevant experience and track-record (including clients and references) providing services/goods in the following categories:

ELECTRONIC ACCESS CONTROL SYSTEM SUPPLY, INSTALLATION AND COMMISSIONING SERVICE- OFFSHORE CONSTRUCTION FACILITY

Specific Main Requirements

1. Services shall comprise all activities necessary to provide the supply, installation and commissioning service of an Electronic Access Control System at Saipem Guyana Offshore Construction Facility. In addition, this Scope of Work (SOW) outlines the required Access Control Measures, Badging capabilities, the access privileges for all staff, clients, subcontractors, visitors and vendors to the site.
2. Applications considered acceptable if accompanied by – but not limited to -
 - Supply, installation and commissioning of the central access control software.
 - Event Monitoring with facility for importing floor plans from Auto-CAD.
 - Roll call facility in case of emergency.
 - Specially classified intrusion zones for stricter access control e.g. server rooms
 - ID Card Badging system for proximity cards
 - Full Height two-way Turnstile installed with card readers.
 - RFID card readers
 - The access control software must have a licensed application programming interface (API) for third party integration.

More requirements may be included in the expected subsequent tendering process addressed to the applicants to this EOI and shortlisted based on the evidence provided along with the same.

Submission

Interested companies which comply with the above **Basic Requirements** and **Specific Main Requirements** can **submit the EOI package via email, subjected “EOI – ELECTRONIC ACCESS CONTROL SYSTEM- OFFSHORE CONSTRUCTION FACILITY” by January 24th, 2025, to: devika.rajkissoon@saipem.com**

NOTE: This notice is the request for an Expression of Interest ONLY and not an invitation to tender, and there is no commitment or obligation of whatsoever nature, implied or otherwise, on account of Saipem to issue a tender or to enter into any contractual agreement of whatsoever type.
