

Who we are

Subsea7 is a global leader in the delivery of offshore projects and services for the energy industry.

We are inviting companies to submit an Expression of Interest (EOI) for upcoming opportunities in Guyana.

Gas to Energy project offshore Guyana

Our unrivalled experience in making offshore energy projects possible, coupled with a unique approach of **collaboration and partnerships** and **enabling-products** brings value across the full energy lifecycle.

The Gas to Energy project scope includes installation of approximately 190 kilometres of pipeline, activities expected 2024.

To support installation and delivery of our enabling-products, we operate one of the industry's youngest and most capable fleets.

We are inviting companies to submit an Expression of Interest (EOI) for upcoming opportunities in the area(s) listed below. The supply/service(s) will be performed in Guyana.

- Rigging inspection

EOI requirements

Interested companies are required to:

- Register with the Local Content Secretariat and Centre For Local Business Development (CLBD) in Guyana
- Submit which Category/EOI Package ID that your company can service
- Submit a company profile inclusive of full contact details, physical address, Tax Identification No. (TIN), VAT, details on any joint ventures, partnerships
- Submit relevant experience including references
- Comply with all related requirements of the Government of the Republic of Guyana

Note: Additional documentation/information may be requested during the qualification stages.

Submissions

SupplyChainCaribbean@Subsea7.com

This is an Expression of Interest ONLY. In line with EOI requirements, companies that would like to provide the below listed supply/service will need to submit the EOI package by the date(s) listed below.

Disclaimer: This is an EOI not an invitation to tender. Subsea7 is not obligated to issue a tender or a contract. Participation does not create a commitment for Subsea7 to issue any form of payment.
