

EXPRESSION OF INTEREST

EOI – Halliburton Guyana Inc (Utilities Survey to Eccles Base)

About Us:

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With approximately 40,000 employees, representing 130 nationalities in more than 70 countries, the company helps its customers maximize value throughout the lifecycle of the reservoir – from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production throughout the life of the asset.

Category:

Facilities

Scope of Work:

Conduct a detailed as built survey of our utilities at our Eccles base to address gaps in our current information. We would like to have this as built survey documented in an inventory and on a site plan. The scopes of this survey are separated into; the HCT Area, Cementing Area, Sperry Area, and the Green Zone. These The utilities to be surveyed are; Electrical (inclusive of HVAC), Compressed Air, Water Supply, Drainage. During this survey, all current information will be provided, to avoid any duplicate work.m2
