JULY 2024

Environmental & Technical Solutions Inc.

Guyana Shore Base Inc. Plantation "A", Houston District, East Bank Demerara, Guyana

ABOUT US

Environmental and Technical Solutions Inc. (ETS) has established a state-of-the-art waste treatment facility with technologically advanced waste treatment equipment inclusive of an Indirect Thermal Desorption Unit (ITDU), Hazardous Waste Incineration and Wastewater Processing Farm. Processing of Special Hazardous Waste such as fluorescent tubes and aerosol cans, shredding of IBCs and drums, tank cleaning services and spill response services are also services currently offered by ETS.

REQUIREMENTS

Interested companies are required to:

- Provide a copy of the following documents:
 - Certificate of Incorporation
 - Tax Identification Number
 - Local Content Certificate or copy of application status for same.
 - If applicable, relevant permits related to the EOI Category responded to.
- Register with the Centre for Local Business Development (CLBD)
 - <https://centreguyana.com/centre-hub/>
 - Verification of registration must accompany any EOI submitted.
- Include a company profile containing the following details with each EOI submitted:
 - Organizational Structure
 - Key Employee Contact Details
 - Physical Address
 - Experience in service tendered, including clients and reference.
- Submit Expression of Interest to ImtieazKhan@etsigy.com, AnisaRamraj@etsigy.com and SRamsammy@etsigy.com with the above requirements on or before the stipulated submission dates in the provided EOI Categories Table.
- The title of the email should be as follows: [Company Name] EOI: [EOI Category] [EOI Package ID #] e.g. ABC Inc. EOI: Rental or Lease to Own - 5 Ton Forklift

Please note that this is not a request for quotation and is a Request for Expression of Interest only. Selected contractors will be contacted separately to participate in the Request for Proposal (RFP). Additional documentation/information may be requested during the qualification stage.
