

## Expression of Interest (EoI) – Industrial Warehousing

### EoI Request:

Baker Hughes, an Energy and Technology Company, is seeking a locally qualified and registered company with local experience in Guyana that would be interested in working with Baker Hughes to assist in the supply of Warehousing space. The said space should be in the Georgetown, East Coast or East Bank areas and involves meeting our various engineering and HSE standards from our company, and local agencies.

### EoI requirements:

Interested companies are required to:

- Be registered with the Centre For Local Business Development (CLBD) in Guyana
- Submit your company profile with full contact details, details of any joint ventures or partnerships, etc.
- Include any relevant permits and licenses to operate in Guyana and with the Environmental Protection Agency (EPA) / Central Housing & Planning Authority (CHPA) / Local Authority as deemed necessary.
- Demonstrate your capabilities through your work experience for providing service below

### Apply:

This notice is an Expression of Interest. Companies expressing interest in supplying the services listed below are required to submit their RFP package before the due date to: [Joseph.Szeplaki@bakerhughes.com](mailto:Joseph.Szeplaki@bakerhughes.com)
