

Notice of Expression of Interest

With a diverse, global workforce spanning six continents, Expro is an industry leader in tubular running services, tubular fabrication, and specialty well construction and well intervention solutions with a focus on complex and technically demanding wells. We innovate products meeting the increasing demands of the rapidly changing oilfield environment, helping customers achieve superior results and reduce total cost of ownership across the life of the well.

Expro endeavors to expand and enhance its overall Guyana operations. Strong relationships with our providers are more essential than ever, in today's aggressive global market, to meet our own and our customers' needs. Our preferred suppliers are those with a drive for high ethical standards and professional work practices along with a competitive, cost effective attitude consistent with our corporate policies and procedures. This type of supplier relationship encourages use of supply chain best practices and adds value for all involved in the process.

As Expro expands its operations in Guyana, our procurement focus considers several pivotal points for highly qualified contractors:

- Closer integration with stronger, more strategically aligned suppliers;
- Delivery price;
- Supplier Reliability through greater contractual risk management;
- Increased quality to reduce total cost of ownership;
- Post-sales support;
- Long Term Agreements

Request for Expression of Interest for combined sale and service:
