About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

Topside Valves Signature

Scope of Work

MODEC Guyana Inc. ("MOG") requests the services of a CONTRACTOR to be responsible for the supply of skilled manpower related to execute the Topside Valves Signature of the FPSO. Specialized company, with proper planning with MOG team, due to be executed during the planned shutdown of the unit.

Requirements

General Requirements:

- 1) Service planned to be carried out in the vessel's shutdown, after 2026.
- 2) The bidder will be fully responsible for the quality of the services provided and must execute them with planning and keep all records of the services history for consultation by MOG.
- 3) The bidder shall plan and technically qualify its manpower for the full fulfillment of the activities related to Topside Valves Signatures. All members must be in compliance with the skills required to totally fit for the scope execution offshore.
- 4) The prospection of the technical information and documents related to the Topside Valves' requirements, object of this memorial, will be the bidders's responsibility, MOG being responsible for providing access to documentation and guidance on its location.
- 5) Bidder shall ensure that manpower that will be provided to MOG, are legally qualified to perform the services, in compliance with the applicable legal requirements for each position required, for the entire duration of the Agreement.
- 6) Bidder shall ensure all communications, reports, and certificates to be done in English language.
- 7) Working time: team will work following offshore time when embarked.
- 8) All the manpower supplied by the bidder shall be fluent in English.
- 9) Bidder shall send in advance the planning execution of the proposed SoW, to be approved by MOG. As an activity to be executed during planned shutdown, this is mandatory.
- 10) Bidder will be fully responsible for the quality of the services provided and must keep all records of the services history for consultation by COMPANY.

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following [link](#).
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC's Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the EOI's received and applicable shortlisting for competitive process.
6. Please submit your final response with RFI form/EOI no later than 8/8/2024.

Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
