About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

Laboratory Equipment Calibration

Scope of Work

MODEC Guyana Inc. ("MOG") requests the service of calibration and preventive maintenance services for chemical analysis laboratory equipment on the FPSO Errea Wittu.

- Perform preventive maintenance and annual calibration for all previously listed equipment, with the possibility of contractual addendums for new equipment acquired during the contract term.
- All calibrations and maintenance must be carried out by Company in the sector with proven technical capability and the ability to issue calibrations traceable.
- All results must have their uncertainty expressed in the Calibration Certificate, and all calibration certificates must be accompanied by the Critical Analysis Report, following the parameters and criteria described by the requestor.
- Calibrations should be performed offshore whenever possible, and onshore in other cases, in accordance with the details in the internal technical document. The same table presents all necessary data of the equipment and the parameters to be verified.
- Report in a separate document or in the observations field of the certificate the details of any preventive maintenance applied to each equipment. When corrective maintenance is needed, provide a report detailing the deviation, accompanied by a commercial proposal for repair.
- If the CONTRACTOR has other quality certificates, such as ISO 9001, ISO 17025, etc., please include this information in process, as it may be considered in the technical evaluation.

Requirements

The CONTRACTOR shall be responsible for the following mandatory minimum items:

- The CONTRACTOR must have the capacity to provide the services quoted in their proposal, as specified. It is the CONTRACTOR's responsibility to indicate which items are in their service portfolio, their ability to meet the demand, and the delivery time, as well as to identify which items will need to be subcontracted.
- The CONTRACTOR must present all required certifications in accordance with applicable legislation to fulfill the scope of work.
- Ensure compliance with laws, decrees, regulations, ordinances, opinions, and any federal, state, or municipal technical standards or requirements related to the execution of the scope's objectives.
- Treat all information accessed as a result of executing the scope's objectives confidentially, and it is prohibited to disclose such information to third parties.
- The CONTRACTOR shall ensure all communications, reports and certificates shall be completed in English language.

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following [link](#).
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC's Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers

Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.

Request for Information

3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the EOI's received and applicable shortlisting for competitive process.
6. Please submit your final response with RFI form/EOI no later than 9/10/2024.

Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
