

REQUEST FOR EXPRESSION OF INTEREST

Weatherford Overview

Weatherford is the leading wellbore and production solutions company, providing integrated solutions across well stages and customer domains to the oil and gas industry. We integrate trusted technologies with innovative ideas to help finish wells earlier and produce more for longer. We have a substantial global network of people, service bases, manufacturing facilities, and technology and training centers in more than 100 countries. Our products and services span the lifecycle of a well, including drilling, evaluation, completion, production and intervention. The company's range of production-enabling technologies include evaluation services, directional drilling services, secure drilling SM services, cased hole completion systems, expandable technologies, intelligent completion technologies, production optimization systems and all major forms of artificial lift.

Procurement Initiative

As part of Weatherford's continued focus on improving its overall Guyana operations, Weatherford has undertaken an initiative that focuses on minimizing the total cost of purchased products and services while improving quality, delivery and service. This includes:

- Closer integration with strategically aligned suppliers;
- Longer term agreements;
- Leveraged volumes to obtain best pricing;
- Emphasis on value-added services and process improvement;
- Increased quality and greater contractual risk management;
- Stronger, more strategic relationships; and
- Reduced total cost of ownership.

Request for Expression of Interest

Weatherford is seeking interested and qualified suppliers to provide: **Janitorial Services**

The janitorial service provider shall provide all personnel, equipment, tools, materials, supervision, and other items and services necessary to perform the janitorial (housekeeping) services.
