About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

Annual Radio and Navigation Equipment Survey

Scope of Work

MODEC Guyana is seeking a SUB-CONTRACTOR to provide preventive maintenance, system configuration, software updating and verification for Telecommunication System. SUB-CONTRACTOR will provide the Certificate for Annual Radio in compliance with Classification Society and Flag State requirements. The scope of work involves constant maintenance of UHF/VHF radio systems in accordance with SOLAS requirements.

Requirements

1. Ensure the materials, equipment and professionals that will be provided to MODEC Guyana, are legally qualified to provide the services, in compliance with the applicable legal requirements, and in compliance with the technical specifications defined by MODEC Guyana.
2. Ensure all communications, reports and certificates to be done in English language.
3. Two technicians are required to embark at the FPSO to execute the scope for 4-5 days as per manufacturer requirements and attached job descriptions.
4. Must be able to provide Maritime Administration Department certification for applied services.
5. Must be able to provide remote support, via telephone or e-mail or any means of communication to guide the MODEC Guyana technical staff on board, as to the procedure to identify failures and alarms or even request any clarifications about the systems.
6. Have years of experience with the scope.

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following [link](#).
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC's Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the EOI's received and applicable shortlisting for competitive process.
6. Please submit your final response with RFI form/EOI no later than 5/6/2026.

Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
