Request for Information

About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

ROV Inspection Services

Scope of Work

MODEC Guyana requests the services of a SUB-CONTRACTOR to provide a fully mobilized ROV inspection spread including competent offshore personnel, ROV with tether, control console (computer), and all required tooling to execute an external hull and appendages inspection, and cleaning campaign on the FPSO.

Requirements

1. Be equipped with an ROV system (vehicle, tether, control console/computer, power supply), high-resolution inspection camera (minimum 1080p, with adequate lighting), and Caviblaster or equivalent cleaning tool to execute the services.
2. Have sufficient spare parts and contingency kit for the campaign duration.
3. Provide qualified ROV pilot(s) and inspection engineer(s).
4. Perform cleaning with caviblaster on areas where marine growth or debris obstructs visual/dimensional assessment.
5. Ensure all data is georeferenced/tagged (position on hull) and stored with traceable file naming.
6. Conduct pre-dive checks such as ROV function test, camera calibration, tether integrity verification, and tooling readiness.
7. Perform systematic hull inspection including pre-defined coverage pattern, and overlapping video/photography of all zones, with real-time data logging and anomaly flagging.
8. Ensure that the materials, equipment and professionals, that will be provided to MODEC Guyana, are legally qualified to perform the services, in compliance with the applicable legal requirements, and in compliance with the technical specifications defined by MODEC Guyana.
9. Ensure all communications, reports and certificates to be done in English language.
10. All personnel and equipment involved in the execution of the SERVICES must adhere to local practices, laws, and regulations.

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following link.
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC´s Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the EOI´s received and applicable shortlisting for competitive process.
6. Please submit your final response with RFI form/EOI no later than 11/19/2026.

Notes

• This is not a request for quote.

• Submission of an EOI is not and shall not be deemed as MODEC’s commitment to enter into any agreement with any Potential Supplier.
