

BCQS International**Request for Information – pre-qualification of Suppliers****Scope of services:**

Uninterruptible Power Supply (UPS) - preventative maintenance and repairs

Description:

BCQS international is seeking to identify Suppliers who can provide UPS preventative maintenance and repair services for commercial buildings.

These services will include preventative maintenance and additional repairs based on Client requirements. Suppliers must be able to provide qualified personnel and meet high safety standards as well as have the necessary equipment to undertake the services.

For all information, please visit www.CLBDGuyana.com. Interested parties must complete the pre-qualification questionnaire and submit to dperdomo@bcqs.com and samin@bcqs.com no later than 12th January 2021.

All interested companies must be registered with the Centre for Local Business Development in Guyana via www.CLBDGuyana.com or visit the center directly.
