

# Request for Information

## About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

## Reference Name

Fabric maintenance, painting and cleaning services.

## Scope of Work

The scope of work includes the execution of offshore fabric maintenance, painting and cleaning services on board the FPSO Errea Wittu.

The scope of services covers the following:

- Surface preparation and painting.
- Insulation/cladding removal and application.
- Application of engineered temporary repairs
- Internal lining of equipment
- Surface preparation and application of passive fire proofing
- Cleaning & De-mucking of tanks and vessels

The location of the work shall be undertaken:

- Using rope access
- In confined spaces
- Overside/overboard working
- From scaffold
- On deck

## Requirements

The PROPONENT itself should present all certification required according to the applicable legislation to supply the scope of work. These certificates include at least, but not limited to:

- IRATA Company and personnel certificates
- NACE CIP Certification
- Rope access materials with certification valid

If the PROPONENT has other certificates of quality such as ISO 9001, ISO 14001, e OHSAS 18001, ISO/INMETRO 17020, do inform this in the technical proposal as it can be considered in the technical evaluation

## Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following [link](#).
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC's Vendor Portal if this is the first access. If needed: [www.modec.com/gysuppliers](http://www.modec.com/gysuppliers)
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the

## Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.

# Request for Information

EOI's received and applicable shortlisting for competitive process.  
6. Please submit your final response with RFI form/EOI no later than 8/12/2024.

## Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
