

REQUEST FOR INFORMATION (RFI) FOR TRUCKING SERVICES IN GUYANA

Introduction

Noble Finance Company, an affiliate of Noble Corporation, is in the process of pre-qualifying companies that can provide Trucking Services in Guyana.

Since 1921, Noble's mission has been to deliver drilling services that enable our customers to exceed their objectives in finding and developing oil and gas resources. The Company owns and operates one of the most modern, versatile, and technically advanced fleets in the offshore drilling industry. Noble performs, through its subsidiaries, contract drilling services with a fleet of 32 offshore drilling units, consisting of 15 drill ships, 4 semi-submersibles and 13 jack-ups, focused largely on ultra-deepwater, high specification and harsh environment drilling opportunities in both established and emerging regions worldwide.

We are currently seeking detailed information from qualified vendors who can provide Trucking services in Guyana. The information gathered through this RFI will help us identify and select vendors who can meet our needs effectively.

Purpose of the RFI

The main objectives of this RFI are to:

1. Identify appropriate and capable vendors for trucking tasks including high value or complicated load services in Guyana.
2. Gain insights into the vendors' knowledge and experience with Guyana's relating to the trucking services.

Scope of Services

The required scope of services to perform daily trucking tasks for us, such as offshore supply containers to/from our warehouse and dock, tubular movements, and occasional collections from vendors in town. Any high value or complicated loads

Expression of Interest (EOI) Requirements:

Interested vendors are to submit the list of required documents identified below:

- Company Portfolio (include specifics of your fleet-e.g. how many trailers do you currently have and your capacities, insurance coverage)
- Certificate of Incorporation/Business Registration
- VAT Registration Certificate
- NIS Registration Certificate
- TIN Registration Certificate
- Local Content Certificate
- Health & Safety Policy Statement

Submission Guidelines

This request is valid until the end of the day on July 18, 2024. Late submittals will not be accepted. Companies expressing an interest in supplying these services are required to submit their EOI package via email by the submittal date to guyanarfi@noblecorp.com

The subject line of the email should conform to the following format:

“RFI Response – Trucking Services - Name of Submitting Company”

Please note that if you response to this Request for Information and you have been selected for the RFQ bid list, your company name and contact information may be posted on a public website. If you are awarded a bid, the same may be posted to the same website.

Best Regards,
Agnes Cecilia Mamisay
