

Request for Information

We are a global technology company, driving energy innovation for a balanced planet. We create amazing technology that unlocks access to energy for the benefit of all – Paving a path to net zero and beyond:

- Innovating in oil and gas
- Decarbonizing industry
- Delivering digital at scale
- Scaling new energy systems

We are energy innovators, pushing the limits of technology to deliver outstanding performance for our customers and stakeholders. In today's competitive global economy, we know that strong relationships with our suppliers are important to enable our ability to meet our and our customers' needs.

Our preferred suppliers are those who collaborate with us in a professional, ethical, competitive, and cost-effective manner consistent with SLB policies, procedures, and business objectives.

SLB is seeking suppliers who can support the following:

Scope: Maintenance, Repair, and Operations Spare Parts and Material Supply

General Overview

SLB is seeking information from qualified suppliers regarding the provision of Maintenance, Repair, and Operations (MRO) spare parts and materials across several categories. This RFI is intended to gather details on supplier capabilities and product offerings. Suppliers are invited to provide information for one or more of the following categories:

1. Laboratory and Testing Equipment
 - Calibration tools
 - Analytical instruments
 - Environmental monitoring devices
 - Spare parts & consumables
2. Material Handling, Security Equipment, and Accessories
 - Pallet jacks, and hoists
 - Surveillance systems and access control devices
 - Safety barriers, bollards, and related accessories
3. Pipes, Hoses, Valves, and Fittings
 - Industrial-grade piping systems
 - Hydraulic and pneumatic hoses
 - Manual and automated valves
 - Connectors, Couplings, and Fittings
4. Fasteners
 - Bolts, nuts, washers, screws
 - Anchors and rivets
 - Specialty fasteners for high-stress environments
5. Tools and metal cutting accessories
 - Hand tools and power tools
 - Drill bits, saw blades, and cutting wheels

- Tool storage and maintenance solutions

6. Paints

- Industrial coatings and primers
- Anti-corrosion and heat-resistant paints
- Application tools and safety data sheets

Information Requested

Please provide the following details for each category you wish to respond to:

- Product catalog
- Lead times and delivery capabilities
- Warranty and after-sales support
- Certifications and compliance standards
- Geographic coverage and logistics capabilities

Interested companies are encouraged to:

- Register with the Centre for Local Business Development (CLBD)
 - Proof of registration is recommended.
- Include a company profile with relevant experience containing the following details with any EOI submitted specifically detailing how the scope of work can be satisfied.
- Local Content Certification (with valid local content registration and certification) & TIN Certificate
- Email their Expression of Interest (EOI) along with the above-mentioned requirements to GYSourcing@slb.com before **12 September, 2025**.
 - Include the EOI scope name in the subject line of the email: "Maintenance, Repair, and Operations Spare Parts and Material Supply"

Disclaimer: This is a request for information and does not constitute a commitment or tender. Firms meeting majority of requirements are encouraged to respond
