REQUEST FOR INFORMATION

Distributed on: 10 September 2020

Response Requested by: 30 September 2020

1. Objective

This Request for Information (RFI) seeks detailed information from suppliers for meeting the Company's selection requirements for **Printing & Branding Services, Stack & Air Quality Monitoring Services and Welding, Fabricating & Maintenance Services.**

Responses from you and the other participants will be used to validate and further develop our team's recommendations for inclusion in the Request for Information (RFI) for the above Services. The RFI process allows us to seek your input and develop a list of qualified bidders before structured bid rules take effect.

Second, the RFI process provides you an opportunity to begin developing your responses to some of the potential requirements if you are selected for the RFP.

Finally, Tiger Rentals Guyana, may divide the services described in this RFI and in a future RFP (Request for Proposal) into several enabling agreements that may be awarded to more than one bidder.

2. About us

Tiger Rentals has been operating in Guyana since 2011, pioneering the establishment of the first and still only hazardous waste treatment facility in Guyana. Tiger Rentals Guyana has established a State of The Art waste treatment facility, inclusive Of thermal processing for hazardous waste as well as processing and disposal of non-hazardous waste streams.

TRG currently provides rental of Cargo Carrying Units (CCUs), Confined Space Entry Tank Cleaning and the Collection, Transportation & Disposal of all waste types of waste.
