

Request for Information (RFI)

Date: 23/08/22

Noble Drilling (Guyana) Inc. hereby invites suitable suppliers to submit technical information for the supply of **Pest Control**.

Scope Overview

Suitable Companies must be able to supply Pest Control Services in both On and Offshore environments. Pest Control Technicians must possess the requisite **THUET** or **TBOSIET** with **CA-EBS**

The scope of supply includes, but is not limited to:

- Conducting thorough interior and exterior inspections to locate dangerous pests
- Offering sound advice on both chemical and natural pest control remediation options
- Providing estimates for one-time treatments and continual maintenance
- Setting traps for rodents
- Spraying perimeters of homes, structures and assets for termites, ants and other insects
- Laying down bait pellets to eliminate rats and mice
- Recommending [products and services](#) for effective pest control

EOI Requirements

Interested vendors are to Submit the list of required documents identified below:

- Certificate of Incorporation/Business Registration
- VAT Registration Certificate
- NIS Registration Certificate
- TIN Registration Certificate
- Health & Safety Policy Statement
- Company Brochure / Company Profile including work history
- Local Content Certificate.

Submission

This request is valid until September 6th, 2022. Late submittals will not be accepted. Companies expressing an interest in supplying Security Services are required to submit the EOI package via email by the submittal date to:

guyanarfi@noblecorp.com

**The subject line of the email should conform to the following format:
RFI Response – Pest Control Services – Name of Company**

Please note that if you respond to this Request for Information and you have been selected for the RFP bid list, your company name and contact information may be posted on a public website. If you are awarded a bid, the same may be posted to the same website.
