About Us

We are an owner/operator and EPCI (Engineering, Procurement, Construction, and Installation) general contractor of floating production systems including Floating Production Storage and Offloading (FPSO) units, Floating Storage and Offloading (FSO) units, FLNGs, Tension Leg Platforms (TLPs), SemiSubmersibles, Mooring Systems and new technologies which will meet the challenges of gas production floaters.

Reference Name

TVRO Annual Subscription Services

Scope of Work

MODEC Guyana requests the services of a SUB-CONTRACTOR to supply, install, commission, and support a complete IPTV-based TV channel service system for the Uaru FPSO.

Scope of Work

- Provide a complete, fully functional TV channel service system for the Uaru FPSO (IPTV-compatible), including decoders, accessories, cabling, and infrastructure
- Supply and install CAT6A cabling and RJ45 outlets for IPTV distribution; install all equipment in the Offshore rack per MODEC standards and project drawings/specs
- Deliver TV services for the FPSO and distribute channels via approximately 37 decoders
- Perform comprehensive services; provide required ABS/regulatory certificates
- Supply commissioning and operational spares; provide special tools for installation/maintenance
- Provide local support (service center/after-maintenance arrangements)

Requirements

- Capability to supply an end to end IPTV TV channel service system for offshore FPSO environments
- Proven experience installing and commissioning IPTV systems, including offshore rack installations to project standards
- Ability to supply IPTV compatible decoders and all necessary accessories and distribution network materials (CAT6A/RJ45)
- Competence in testing and commissioning, including start up and performance testing
- Compliance with ABS and applicable regulatory requirements; ability to issue Product, Type Approval, and Manufacture certificates valid at least 6 months
- Local service capability or after maintenance arrangements to support FPSO operations

Instructions

1. Potential Supplier who wishes to participate are required to proceed to MODEC vendor portal and reply our official RFI questionnaire on the following [link](#).
2. In order to reply the questions and formalize the EOI, the vendor needs to have its pre-registration done on the MODEC's Vendor Portal if this is the first access. If needed: www.modec.com/gysuppliers
3. Once pre-registration is completed, the vendor shall proceed to RFI wall as per the address mentioned on step 1, and then after a validation on the Tax Id reference and email (used for the pre-registration) the form will be opened, and answers will be accepted.
4. Vendor shall receive a confirmation when EOI is submitted.
5. Vendor shall monitor email notifications with updates about MODEC Guyana Inc evaluation for the EOI's received and applicable shortlisting for competitive process.
6. Please submit your final response with RFI form/EOI no later than 12/29/2025.

Notes

- This is not a request for quote.
- Submission of an EOI is not and shall not be deemed as MODEC's commitment to enter into any agreement with any Potential Supplier.
