Title:	Provision of Drill Pipe Lubrication
Issue Date:	30/10/26 – **Closure Date** – 13/11/2026

EXPRESSION OF INTEREST (EOI):

COMPANY OVERVIEW

Stena Drilling is one of the world's foremost independent drilling contractors with a fleet of consisting of 5 Ultra-Deepwater Drillships and 1 Semi-submersible Rigs operated globally from our head office in Aberdeen, United Kingdom.

1.0 - INTRODUCTION

Stena Carron Limited (Guyana Branch) ("Stena") is seeking qualified contractors/suppliers to submit an Expression of Interest ("EOI") for the supply of Drill Pipe Lubrication in support of the Stena Carron Drill ship currently operating offshore Guyana.

For clarity, the project is subject to change or cancellation at any time and Stena is under no obligation to proceed with a Request for Proposal ("RFP") or to award a Contract as a result of either the EOI or RFP processes.

Further, participation in the EOI process, in and of itself, does not guarantee inclusion in any RFP list or competitive process that may occur subsequent to the EOI.

2.0 - SCOPE

Each supplier is required to demonstrate that it is able to fully execute the Supply or part thereof described herein during the timeframes provided in Section 2.2 and be able to demonstrate previous experience and/or capability in the delivery of such Products.

2.1 – GENERAL SCOPE OF WORK

The Scope of Work shall include, but not be limited to, the provision of Drill Pipe Lubrication required to support Stena's planned drilling activity in Guyana.

2.2 - SCHEDULE

The term of award of Drill Pipe Lubrication will be for a duration of 12 months, with option for both parties to extend.

3.0 – MINISTRY OF NATIONAL RESOURCES – LOCAL CONTENT SECRETARIAT

Suppliers must comply with the provisions of the Local Content Act 2021 as published by the Local Content Secretariat Unit of the Ministry of National Resources. Candidate must provide valid certificate of registration issued by Secretariat.

4.0 - EQUAL OPPORTUNITY REQUIREMENTS

Stena is an equal opportunity employer and as such support's diversity in the workplace. Successful suppliers, suppliers and subcontractors will be required to undertake a commitment to support diversity in execution of work on the Stena Project.

5.0 - HEALTH, SAFETY AND ENVIRONMENT REQUIREMENTS

Stena is committed to providing a safe, healthy, and environmentally sound workplace for employees, contractors and subcontractors. Interested Candidates must have a comprehensive management system that addresses health, safety, environment, and quality that meets, at a minimum, all requirements of Stena and required regulatory processes. All Candidates will be required to complete an HSE questionnaire if selected to participate in any resultant competitive sourcing process.

6.0 - SUBMISSION DETAILS AND REQUIREMENTS

6.1 - SUBMISSION FORMAT

Responses for each of the submission requirements specified below are requested to be comprehensive but concise. Stena requests that Candidates ensure that any and all documents submitted as part of its EOI package are labelled and numbered in accordance with the submission requirement heading in Section 6.2 - Submission Requirements.

6.2 - SUBMISSION REQUIREMENTS
