

**SICIM Guyana Inc. has a vacancy for:**

**Draftsman**

**JOB LOCATION: WEST BANK DEMERARA, GUYANA**

**OBJECTIVES:**

- The Draftsman will be responsible for creating various technical drawings based on specifications, calculations, and verbal instructions from engineers or architects of the Engineering Department.

**RESPONSIBILITIES AND DUTIES:**

- Following specifications and calculations to create various technical drawings.
- Preparing both rough sketches and detailed work with CADD systems.
- Performing calculations for materials and weight limitations.
- Communicating with architects and engineers, and incorporating knowledge gained into drawings.
- Preparing, reviewing and redrafting alongside the engineering team.
- Ensuring final designs are compliant with building regulations.
- Identifying and communicating potential design problems to the rest of the team.

**EDUCATION AND SKILLS:**

- Bachelor of Science in engineering or architecture.
- Degree from a technical college also acceptable.
- Experience in computer-aided design and drafting (CADD).
- Ability to draw manually favourable, but not essential.
- Ability to work well in a team and on your own.
- Ability to respond well to constructive criticism and maintain a positive attitude.

**WORK SCHEDULE:**

- Be able to work in a fast-paced environment.
- Available to work Monday to Saturdays
- Preferable if the applicant is living on the West Coast of Demerara area.
