How to register my business on the Centre Hub?

1. Go to www.centrehub.com.
2. Click the 'Register' button.
3. Fill in the Basic Company Profile information and click register.

Where can I view business opportunities?

1. Log into your Centre Hub company profile.
2. On the dashboard, you can see Active Tenders which highlights the top active tenders based on your ISIC code.

The **ISIC (International Standard Industrial Classification) Coding System** is a standard classification of economic activities (supply of products and services) arranged so that companies can be classified according to the activity/activities they carry out. This is an international standard used globally by countries and international donor agencies. The categories of ISIC at the most detailed level (classes) are delineated according to what is, in most countries, the customary combination of activities described in statistical units. More can be found at: International Standard Industrial Classification of All Economic Activities (ISIC) - ILOSTAT. <https://ilostat ilo.org/resources/concepts-and-definitions/classification-economic-activities/>

3. To view, all tenders you can either click 'View All' under active tenders or the 'Find Business Notices' tab on the left hand bar.
4. Here you can find all opportunities listed by the company procuring the goods/services. This includes the type of tender (EOI/RFI/etc), description of the good/service, and closing date.

How can I bid for business opportunities?

1. Log into your Centre Hub account.
2. Click on the tender you would like to bid for.
3. Open the relevant attachments which will include the scope of work, requirements, and bidding process.
4. The attachments will have the specifics on each company's needs and the relevant instructions for submission and contact information.

How to make a B2B request?

1. Log into your Centre Hub profile at www.centrehub.com.
2. Go to the 'B2B Request' tab on the left hand bar.
3. Here you can type in the name of the company you would like to connect to and highlight the purpose for the connect.
4. Once the company has accepted your request, you will get a notification on your Centre Hub profile. You would be able to see their company information and start building your connection.
