

MI Bulk Plant Operator

Georgetown, Guyana

About Us

Schlumberger is the world's leading provider of technology for reservoir characterization, drilling, production, and processing to the oil and gas industry. Working in more than 85 countries and employing approximately 100,000 people who represent over 140 nationalities, we supply the industry's most comprehensive range of products and services, from exploration through production and integrated pore-to-pipeline solutions for hydrocarbon recovery that optimize reservoir performance. We're looking for staff who never stop asking questions and the next generation of innovators ready to take us into the next evolution of energy. If you share our passion for discovery and fascination with breaking new ground and are serious about doing your best work, there is nowhere better to build your career.

Job Summary:

The bulk plant operator is responsible for mixing Drilling and completion fluids. In addition, he needs to be able to operate and maintain different equipment, monitor instruments, and report problems.

Responsibilities:

Candidate's duties may include the following:

- Perform tasks under specific instructions or close supervision
- Safely handle chemicals
- Perform physical tasks such as mixing of drilling fluids and housekeeping
- Availability to work 12 hours a day in different shifts
- Availability to travel out country if need
- Availability to work weekends and holidays
- Maintain good, safe working order of equipment according to standards, reporting problems or deviations
- Monitor different type of instrument and equipment
- Fill up checklist and routine reports

Employees may be assigned other duties, in addition to, or in lieu of those described above, according to the needs of the location or Company.

Minimum Qualifications:

- Diploma in secondary school
- Preferably technical background, preferable in mechanic or building and civil engineering

How to Apply

- Send resume and cover letter to gycareers@slb.com with subject line: **MI Bulk Plant Operator – Your Name.** Resumes should also be saved with applicant's first and last name.
