

## **Baker Hughes Vacancy: Guyana Country Director**

Do you enjoy leading and motivating others to deliver successful solutions for business and customers?

### **Join the Guyana team!**

As a leader in the oilfield services industry, Baker Hughes offers opportunities to grow in our high-performance organization. Our leading technologies and our ability to apply them safely and effectively create value for our customers and shareholders.

### **Partner with the best**

The Country Director for Guyana will represent the company to accelerate incremental growth through developing and nurturing key relationships with customers, business partners, as well as the Government and local organizations. You will be responsible for developing and implementing the growth strategy for Guyana and managing the localization agenda across the company's businesses in the region, while leading long range planning.

As the Country Director, you will be responsible for:

- Acting as the critical point of contact for the company in Guyana, taking ownership of company initiatives
- Working in conjunction with the company's Product Teams and regional government affairs leadership on identifying trends and defining priorities of public policy shaping it with the relevant external organizations, governments and their stakeholders
- Leading growth in the Guyana market together with the businesses' leadership teams; developing long term business strategies
- Establishing alliances, partnerships, customer programs and diverse channels to promote the company in Guyana
- Being an inspiring coach and role model for growing the Guyana leadership; develop local resources for future leadership by further building an organization that would attract and retain individuals with the highest competencies

- Ensuring compliance with regional laws and drive compliance with the company's integrity policies and practices

### Fuel your passion

To be successful in this role you will:

- Have Bachelor's degree from an accredited university or college
- Hold minimum of 10 years of business leadership experience with demonstrated success in leading teams and delivering results
- Have a broad understanding of multiple business models and business/financial strategies across a range of geographies and industrial business sectors (of similar scale to Guyana)
- Having a track record of growing a business through organizational buy-in skills and inclusive leadership
- Hold high level of self-motivation, be a driver and natural leader
- Be an influencer, self-starter able to instantly adapt and move forward with a solution

### Work in a way that works for you

We recognize that everyone is different and that the way in which people want to work and deliver at their best is different for everyone.

- Working from office/work location
- Working flexible hours - flexing the times when you work in the day to help you fit in everything in and work when you are the most productive

### Working with us

Our people are at the heart of what we do at Baker Hughes. We know we are better when all of our people are developed, engaged and able to bring their whole authentic selves to work. We invest in the health and well-being of our workforce, train and reward talent and develop leaders at all levels to bring out the best in each other.

### Working for you

Our inventions have revolutionized energy for over a century. But to keep going forward tomorrow, we know we have to push the boundaries today. We prioritize

rewarding those who embrace change with a package that reflects how much we value their input. Join us, and you can expect:

- Contemporary work-life balance policies and wellbeing activities
- Comprehensive private medical care options
- Safety net of life insurance and disability programs
- Tailored financial programs
- Additional elected or voluntary benefits

### About Us

With operations in over 120 countries, we provide better solutions for our customers and richer opportunities for our people. As a leading partner to the energy industry, we're committed to achieving net-zero carbon emissions by 2050 and we're always looking for the right people to help us get there. People who are as passionate as we are about making energy safer, cleaner and more efficient.

### Join Us

Are you seeking an opportunity to make a real difference in a company with a global reach and exciting services and clients? Come join us and grow with a team of people who will energize and inspire you!
