

EXPRESSION OF INTEREST

EOI – Halliburton Guyana Inc

Project Design and Management services required for Civil, Mechanical, Electrical and other Project Related services that require dedicated personnel for execution

About Us:

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With 60,000 employees, representing 140 nationalities in more than 80 countries, the company helps its customers maximize value throughout the lifecycle of the reservoir – from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production throughout the life of the asset.
