

## Expression of Interest

### Machinery Rental at Water Street and VESHI Fabrication Base Services

Saipem is an advanced technological and engineering platform for the design, construction and operation of safe and sustainable complex infrastructure and plants. Always oriented towards technological innovation, Saipem is today committed to working alongside its clients on the frontier of energy transition with means, technologies and processes that are increasingly digital and oriented from their conception towards environmental sustainability. Saipem is present in over 60 countries around the world and employs around 32,000 people of 130 different nationalities.

In Guyana, Saipem is committed to implement along with its client the engineering, procurement, construction, and installation of offshore projects in the Stabroek Block with its distinctive competences and assets tailored to operate in harsh environments, remote and deep-water areas. Saipem has been awarded the SURF portions (subsea, umbilicals, risers & flowlines) of all the field development projects so far launched in Guyana, i.e.: Liza 1 & 2, Payara and Yellowtail.

Saipem Guyana is additionally committed to contribute to the development of the Guyanese people, to maximize the use local resources and to create even more capacity. Hence, we invite companies which fulfill with the Guyanese Local Content Law to submit an Expression of Interest (EOI) for the services/supplies in the area(s) listed herein.

The supply/service(s) would be performed in Guyana to support Saipem onshore operations.

## Notes

1. All interested companies are informed that Saipem may enter into a contract at its sole discretion pursuant to this EOI and consequent competitive tender process, if any. In addition, the contracted company must be - at the time of the contract execution - a “Guyanese company” according to the Guyana Local Content Act No. 18 of 2021, Part I, 2, and be registered in the “Local Content Register” set up by the local Ministry of Natural Resources, all under the Guyana Local Content Act No. 18 of 2021, Part II, 6(1)(b) and Part II, 8.

## Basic Requirements

- Registration in the *Local Content Register* and with the *Centre for Local Business Development (CLBD)*. Certificates proving these registrations must be provided along with the submission for this EOI.
- Submit the company profile inclusive of full contact details, physical address, Tax Identification No. (TIN), VAT number, details on any joint ventures, partnerships, etc., that are part of your organization’s structure.
- Submit the relevant experience and track-record (including clients and references) providing services/goods in the following categories:

## Testing and Recertification of Rigging and Lifting Equipment at Water Street and VESHI Fabrication Facilities and VESHI Fabrication Facilities

### Specific Main Requirements

1. Applicants shall provide Machinery Rental at Water Street and VESHI Fabrication Base Services upon request, to the Saipem Fabrication Facility on Water Street, Georgetown, and the Saipem Shore Base Facility (VESHI), Vreed-en-Hoop, Guyana.
2. Machinery required shall include but are not limited to Craneage (50, 80, 120, 150 ton), Forklifts/ Reach Stackers (3,6, 18, 20 ton), manlifts, lighting towers, welding plants; and other similar machinery.
3. Applicants must also be able to provide machinery with and without qualified and certified operators and should submit evidence to support this. This should include any relevant certification for skilled operators.
4. Applications will be considered acceptable if accompanied by – but not limited to – clear evidence of being capable of mobilizing and demobilizing supplied machinery at both locations, (Water Street Facility and VESHI Base).
5. Successful applicants must be able to show certification of and maintenance schedules for any machinery to be provided.
6. Applicants should include a detailed summary of their experience in providing machinery to clients.

More requirements may be included in the expected subsequent tendering process addressed to the applicants to this EOI and shortlisted based on the evidence provided along with the same.

## Submission

Interested companies which comply with the above **Basic Requirements** and **Specific Main Requirements** can **submit the EOI package via email, subjected “EOI – Machinery Rental at Water Street and VESHI Fabrication Base Services” by April 19<sup>th</sup>, 2023, to: [akil.gittens@saipem.com](mailto:akil.gittens@saipem.com).**

**NOTE:** This notice is the request for an Expression of Interest ONLY and not an invitation to tender, and there is no commitment or obligation of whatsoever nature, implied or otherwise, on account of Saipem to issue a tender or to enter into any contractual agreement of whatsoever type.
