

## Environment, Health and Safety Policy

Newrest Group, a specialist in the catering and services, is one of the worldwide leaders in serving multi-sectors (Inflight, Rail, Remote, B&I and Retail).

While remaining competitive in the market, NEWREST Group, commits to ensure all its operations are developed in a safe, injury free and healthy workplace, to safeguard the local community and to ensure its works are conducted in an environmentally sustainable and responsible manner.

Newrest Group commits to comply with all relevant legislation, market codes of practice and stake holder requirements to which the organization subscribes.

Newrest Group will:

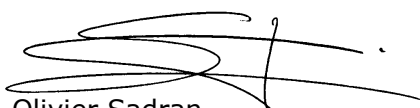

- ≡ Be proactive in assessing health and safety hazards and environmental impacts for new and existing business as well as work practices or equipment
- ≡ Report and investigate incidents and accidents and implement systems and practices that prevent recurrence.
- ≡ Provide safety devices and protective equipment and ensure that they are used in proper way.
- ≡ Train managers and employees to competently perform work described in safe working practices
- ≡ Provide information to all employees, contractors and customers about environmental and health and safety issues relevant to our operations.
- ≡ Provide a system of joint consultation to promote safe working practices
- ≡ Conduct Independent auditing, verification, and certification on recognised standards.

Newrest Group, in its effort on continuous improvement, monitors the implementation of the above principles and defines performance targets to ensure that it operates in the safest environment possible.

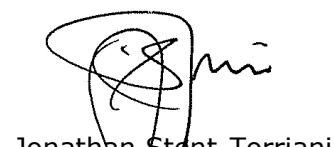

It is the Board of Directors responsibility to ensure that the organisation acts as a citizen company by providing appropriate resources, including human and financial ones, by communicating this policy and objectives across all our operations and to all our employees and interested parties.

The Board of Directors commit to regularly, review this policy to ensure that it continues to reflect the aims and aspirations of the company and the interested parties.
