

G-Boats, Incorporated is bringing new job opportunities to Guyana locals and recognizes its responsibility to maximize local content.

Since its formation in January 2016, G-Boats has adhered to a training program geared to maximize employment of Guyanese crew, and Guyanese vendors and services are used whenever possible.

The Purchasing Department for G-Boats, Incorporated will be accepting all bids for commonly needed operating supplies. Each month a different category will be available for submitting bids. Please contact eco.g-boats.bids@chouest.com for the specific items within each category at the beginning of each month. Analyzation of bids will be done, and winning bids will be awarded by the end of the month.

For May 2020, the available category open for bid is **Light Bulbs**.

Please email eco.g-boats.bids@chouest.com to receive the itemized lists of these categories.
