

Position Title: Quality Coordinator

About Us:

We are a leading technology provider to the traditional and new energies industry; delivering fully integrated projects, products, and services. With our proprietary technologies and comprehensive solutions, we are transforming our clients' project economics, helping them unlock new possibilities to develop energy resources while reducing carbon intensity and supporting their energy transition ambitions.

Description:

This role is responsible for the administration of primary Quality activities, which would include understanding, promoting, and implementing Safety, Quality, Delivery, and Cost in order to achieve the objectives to create customer success. To be successful in this role will require the ability to work well in a team-oriented environment and effectively teach other employees.

Responsibilities:

- Interprets and applies relevant policies and procedures
- Analyzes and interprets data independently
- Anticipates potential problems and takes preventative action
- Participates in the project planning and schedule process
- Receives and logs non-conformance reports, ensuring all proper and required signatures are present
- Receives and inspects log books for completion, accuracy, and any deviations. Compiles log books with image log spreadsheet, reports, and ensure review by TPI
- Compiles list of non-conformances for generation of QN's
- Creates, updates, and closes relevant QN's
- Performs confirmation and closing of operations in SAP and/or MES
- Acts as liaison between TechnipFMC, TPI, and contractor personnel

Requirements:

- A High School diploma or equivalent
- Typically 6+ years of quality experience in a manufacturing and services environment
- Ability to represent the TechnipFMC quality culture, absolutes, and an understanding of nondestructive testing
- Technical and interpersonal communication skills
- Ability to professionally handle project issues as they arise, eliminating downtime

Instructions to Apply:

Send resume and cover letter to <https://technip.referrals.selectminds.com/technipfmc/jobs/quality-specialist-14353> with subject line: Quality Coordinator - First and Last Names.
