

Request for Information

We are a global technology company, driving energy innovation for a balanced planet. We create amazing technology that unlocks access to energy for the benefit of all – Paving a path to net zero and beyond:

- Innovating in oil and gas
- Decarbonizing industry
- Delivering digital at scale
- Scaling new energy systems

We are energy innovators, pushing the limits of technology to deliver outstanding performance for our customers and stakeholders. In today's competitive global economy, we know that strong relationships with our suppliers are important to enable our ability to meet our own and our customers' needs.

Our preferred suppliers are those that work with us in a professional, ethical, competitive, and cost-effective manner consistent with SLB policies, procedures, and business objectives.

SLB is seeking suppliers who can support the following:

Scope: Crating Services

ISPM15 Compliance:

- Manufacturing wooden crates in accordance with ISPM15 specifications, including treatment with approved methods such as heat treatment or fumigation.
- Ensuring proper marking and labeling of crates with the ISPM15 stamp or mark.
- Providing documentation certifying compliance with ISPM15 regulations.

Customization and Design:

- Designing and constructing wooden crates tailored to the dimensions and specifications of the goods to be shipped.
- Incorporating features for ease of handling, stacking, and transportation as per our requirements.

Quality Assurance:

Implementing quality control measures to ensure the structural integrity and durability of wooden crates.

- Conducting inspections and tests to verify compliance with ISPM15 standards and other relevant regulations.
- Provide ISPM15 and heat treatment or fumigation certification for international shipping.

Frequent Sizing:

Length (inches)	Width (inches)	Height (inches)	Weight of item to be crated
150	24	16	1400lbs
204	14	10	1000lbs
198	15	15	1200lbs
138	22	25	500lbs
