REQUEST FOR
INFORMATION 01-2023
Transportation Services: Trucking

Distributed on: March 6th 2023

Response Requested by: March 27th, 2023

1. Objective

1. Ramps Logistics (Guyana) Inc. hereby issues this Request for Information (RFI) to contractors/suppliers/consultants for **the supply of Transportation Services: Trucking**
2. This Request for Information (RFI) seeks technical information from suppliers for meeting RLG's bid selection requirements for Inland Transportation Services within Guyana.
3. This RFI does not constitute an Invitation to Bid or Request for Proposals and will not result in an award of contract.
4. Any costs incurred by the supplier in compiling the responses to this RFI will be borne by the supplier.
5. The information is being requested as part of **RLG's** market research, and the information provided will be used in the execution for a Request for Proposal (RFP). The responses to this RFI will be used to shortlist the participants for the RFP.
6. Any subsequent tender process that may arise will be conducted in accordance with the **Guidelines on Procurement and Bid Evaluation of Guyanese Companies as outlined by the Local Content Secretariat.**
7. Respondents are required to provide the following information
 - (a) the business name, address, telephone number and email;
 - (b) the name, designation, email address and direct contact number of the vendor's designated representative for the purpose of this RFI;
 - (c) Company profile providing details on the establishment and experience of the business, its directors or shareholders, its project portfolio and brief summary of contracts completed, major clients, service partners;
 - (d) Listing showing available equipment;
 - (e) Notice of Directors, Organizational Chart, Local Content Certification;
 - (f) Audited Financials or Management of Accounts;
 - (g) VAT and Tax Registration Information;
 - (h) Table of Contents of Quality Management Systems, Occupational Health and Safety Management Systems, Environmental Management Systems;
 - (i) Master list of Standard Operating Procedure;
 - (j) Non-conformance Procedure;
 - (k) Optional documents include ISO 9001, 140001, 45001 Certifications, Anti Bribery Policies;
8. Respondents may request additional information by sending an email to the address procurement@rampslogistics.com

2. Background

General

Ramps Logistics (Guyana) Inc. (RLG) plans to put in place contractual arrangements for the provision of Transportation Services: Trucking.

The scope of this Request for Information (RFI) is to identify suppliers who can provide Transportation Services: Trucking to RLG as follows:

- Performing and coordinating the inland transport of cargo from designated point of origin to designated final destination
- Providing all applicable material handling equipment required to safely lift, load, strap, secure and transport materials, equipment, and supplies (ME&S)
- Establishing processes and best practice for the safe movement of out of gauge ME&S.
- Developing and providing Journey Management Plans for every ME&S movement with the Company's approval.
- Providing cargo line-item check of manifested cargo or other, and custody transfer evidenced by sign-off of the appropriate documentation
- Develop, maintain, and provide evidence for ensuring operational permits, license and compliance for all material handling equipment utilized as applicable.
- Develop, maintain and provide evidence for ensuring operational certification, background checks, industry compliance of all Vendors, employees or Sub-Contractors carrying out the activities associated with material movement

3. RFI Instructions

Please complete RFI link <https://form.jotform.com/230383649098870> , elaborating on each item as appropriate and keeping the following in mind:
